Date- 19th Sep 2022

Vice Chancellor
School of agriculture sciences
Raffles University, Noida

Honourable Vice Chancellor,

I hope this letter finds you in good health and high spirits. I am writing to express my sincere appreciation for the excellent work being done at Raffles University in the field of education and research. The commitment of our institution to staying at the forefront of knowledge and innovation is commendable. I am writing to propose the introduction of a new certificate courses in the field of Bioagents, Mushroom Cultivation and Jam, Jelly, Marmalade preparation at our esteemed university. The proposed courses name is given below-

- Certificate Course on Production of Bioagents
- Certificate Course on Spawn Production and Mushroom Cultivation
- Certificate Course on Preparation of Jam, Jelly and Marmalade

These certificate courses will not only provide our students with valuable knowledge but also prepare them for careers in various fields, including healthcare, pharmaceuticals, agriculture, and biotechnology. Moreover, it will contribute to the research and expertise of our university in this critical area of study. I am confident that the introduction of these certificate courses will be a significant step forward for Raffles University and will enhance our reputation as a center of excellence in education and research. I kindly request your support and consideration for the development and implementation of this course.

Thank you for your time and consideration of this proposal. I believe that with your vision and leadership, we can make a positive impact on our institution and the broader community. Thank you once again for your dedication to advancing education and research.

Sincerely,

[Dr. M. D. Singh]
