## ABOUT RAFFLES UNIVERSITY, NEEMRANA

**Raffles University Neemrana**, established by an **Act of Rajasthan State Legislature**, as per **Section 2(f) of UGC Act 1956**, is a **multi-disciplinary university** providing **world-class education** through its various schools, namely:

- ◆ **School of Law**
- ◆ **Alabbar School of Management**
- ◆ **School of Engineering & Technology**
- ◆ **School of Basic & Applied Sciences**
- ◆ **School of Agricultural Sciences**
- ◆ **School of Pharmacy**
- ◆ **School of Humanities & Social Sciences**

Raffles University is situated in Delhi NCR at Neemrana, on Delhi-Jaipur National Highway No. 48, is just 90 km away from Delhi International Airport and is also connected by a six-lane expressway and by the railway line at Rewari Junction. The distance from Jaipur is 140 kms.

The **State-of-the-Art infrastructure** with all modern facilities, built on a sprawling 50 acres of land, is set in an **unpolluted serene environment** in the lap of Aravali hills. The University is based on the “**GURUKULA**” concept, whereby the students move away from the rough and tumble of stressful existence to the quieter environment of the University in Neemrana. This ambiance, enables a strong bond between teacher and pupil, ensuring thereby greater attention to instruction as well as education free of distraction and impediments. And yet, it is not as if the Gurukula is insular in nature.

Students are encouraged to explore and expand the frontiers of their knowledge through broad Internet and interactions. Raffles University provides an environment for open discussion between the faculty and students which is designed to ignite the urge to explore and learn beyond boundaries. The **diversity** and **flexibility** of options of courses to choose from are aimed at enabling students to pursue studies most suited to their intellect and talent. This enables the students to discover, nurture and expand their talents, skills, and interests so that they emerge as **leaders** and **path breakers** wherever they go.

## ABOUT SCHOOL OF LAW

***SCHOOL OF LAW OF RAFFLES UNIVERSITY IS A RARE RESOURCE FOR AFFORDABLE LEGAL EDUCATION, IN AN ENERGETIC "GURUKUL" ENVIRONMENT.***

School of Law conventionally runs Law Clinics that provide legal services to those who cannot, otherwise, access these services. With the help of the District Legal Services Authority, under the banner of Rajasthan State Legal Services Authority, the school has been continuously running legal clinic movements and has, had a large impact on access to legal services, to the local community. The school, in collaboration with Surana & Surana International Attorneys and with Rajasthan Education Trust Jaipur, every year organises Surana & Surana National Labour Law Moot Court Competition and C.L. Agrawal Memorial National Moot Court Competition respectively.

If one looks at Raffles Law School, alumni career choices, one finds that it has produced good legal academics as our alumni are with big corporate firms and some are practicing in the Supreme Court and State High Courts and even others are engaged in the teaching profession.

## ABOUT THE COMPETITION

The University is privileged to announce the organization of the **10<sup>th</sup> Edition of our flagship event, C.L. AGRAWAL MEMORIAL NATIONAL MOOT COURT COMPETITION, 2026**. This competition is being organized in collaboration with 'Rajasthan Education Trust', a public charitable trust based out of Jaipur. The trust is chaired by **Hon'ble Justice S. C. Agrawal, Former Justice, Supreme Court of India**. Being inspired by the works of **Late Shri. C.L. Agrawal** and his contribution to the field of Law, Education and Philanthropy, **Hon'ble Justice V.S. Dave** who had the privilege of close association with the Late Shri C.L. Agrawal, became mentor and source of assertive and effective motivation and guidance to the **organizers (School of Law, Raffles University)** in conducting this prestigious Moot Court Competition.

The fraternity of School of Law, Raffles University, is also fortunate to have **Hon'ble Dr. Justice Meena V. Gomber**, former Judge, Rajasthan High Court, as our Chief Patron and Chairperson of the Gomber Education Foundation. The Competition is aimed at providing exposure to the students reading law at various law colleges to the environment of actual Court-Room system in India and to hone their advocacy skills. The Competition will also provide them with an opportunity and a real-life experience cum training in doing cutting edge research, presenting exceptional arguments and contributing to the development of jurisprudence in concerned areas of law.

## MESSAGE FROM THE FOUNDER

### LATE SHRI VINOD KUMAR GOMBER FOUNDER CHAIRPERSON

**Raffles University** was founded by Late **Shri Vinod Kumar Gomber**, an alumnus of Harvard Business School, a towering human being gifted with compassion and ethics, and the will to impart holistic, value-based education, to the youth of this nation and beyond. He led the **EMAAR Group, Dubai**, as the CEO of Worldwide Infrastructure Operations.

His message to the youth was: -

**"Be inspired, broaden your horizons, aim for excellence and achieve all your dreams."**  
- **Vinod Kumar Gomber**

Shri Gomber created Raffles in the model of a "**Gurukula**" with the aim of imparting holistic education, not only to enable "**employability**" but to provide knowledge to a person to find his identity and the meaning and purpose in life. He was also a fervent believer in spiritual values with a desire to connect to nature and the community. The noble impulses within Shri Vinod Kumar Gomber were so assertive and awakened that, despite his elevated global status, he had the infinite humility to state that "**We have simply received our blessings by being in the right place at the right time. We are then custodians of the financial resources that have been bestowed upon us and, as such, we should deploy them for the benefit of mankind to the best of our ability**"... "**Our mission is to share**".

Raffles University imbibes and imparts these values through its excellent education system and state-of-the-art infrastructure. Shri Vinod Kumar Gomber was one of the few stalwarts of our world who has gifted to us an enduring and timeless legacy which future generations can cherish.

## MESSAGE FROM THE CHAIRPERSON GOMBER EDUCATION FOUNDATION

### HON'BLE DR. JUSTICE MEENA V. GOMBER

**FORMER JUDGE - RAJASTHAN HIGH COURT  
CHAIRPERSON - GOMBER EDUCATION FOUNDATION  
CHIEF PATRON - RAFFLES SCHOOL OF LAW**

It is an honor to share my vision for Raffles Law School – a place where the pursuit of knowledge and the application of law converge. As a former judge and founder of this institution, I remain deeply committed to its mission: to cultivate and fully equip a new generation of lawyers who uphold the principles of justice, integrity, and the rule of law.

Raffles Law School, being a fully residential school based on the Gurukula concept, offers a focused academic environment, providing students with the tools and skills necessary to excel in the legal profession. We emphasize critical thinking, analytical reasoning, and ethical considerations – ensuring that our graduates are well-prepared to navigate the complexities of the modern legal landscape.

What motivated me to start Raffles Law School under the aegis of Raffles University, Neemrana, was the wish to establish an affordable law school with a difference. Raffles aims at moulding young legal minds with a solid ethical base and moral uprightness. Raffles is different as it offers students a rigorous supervised and disciplined opportunity to learn practical legal skills & procedural nitty-gritties.

Our law students are also at an advantage because of the traditionally rural and yet increasingly urban, profile of Neemrana – a phenomenon that compresses a wide spectrum of legal issues and litigations in a microcosm of the justice delivery system.

Our graduates are not just legal professionals; they are future leaders who will shape the legal system and contribute to a more just society. I am proud to have played a role in establishing this institution from where number of students are adorning the benches as Civil Judges in different High Courts. I remain dedicated to its continued success in serving as a beacon of legal education and ethical practice."

**The modern concept of legal education** is to learn by bringing about a proportionate admixture of reading, observation, participation, and practice.

Mooting and Mock Trials have been emphasized by the legal educationalists as capable of inculcating in future lawyers the art of being articulate, developing fluency and clear enunciation of thought bearing, the art of persuasion, and making a succinct and intelligible putting up of a case.

Moots are legal problems in the form of imaginary cases argued by two students or two groups of students acting as counsel for each side with a bench of judges or a bench presided over by a judge.

The purpose achieved by **Moots and Mock Trials** is beautifully highlighted with a sense of humour by Lewis Carroll in Alice in Wonderland in the following stanza:

"In my youth", said his father, "**I took to the law. And argued each case with my wife. And the muscular strength which it gave to my jaw, has lasted the rest of my life.**"

## MESSAGE FROM THE CHAIRPERSON

### MR. VIVEK KUMAR GOMBER CHAIRPERSON, RAFFLES UNIVERSITY, NEEMRANA

**Raffles University, Neemrana** is a dream and vision of the Gomber Education Foundation to provide an integrated pathway to quality education. In order to achieve this, one needs an infrastructure that meets global standards, an experienced team of professors and faculty who have international exposure, and an environment that provides resources for its students, enabling them and challenging them to grow as individuals and identify their passions. We, at Raffles, believe that we can provide you with such an environment.

**Dear students, please remember these are your years of learning and this is your time, therefore do not be hesitant, we are here to help you with an experience, that you desire, at this stage of your life. All of us at Raffles University strive to review and improve every day wherever required.**

I would like to welcome you to the **10<sup>th</sup> C.L. AGRAWAL MEMORIAL NATIONAL MOOT COURT COMPETITION 2026**. I hope that all your expectations are met and that we can help you achieve your goals.

**MESSAGE FROM THE PRESIDENT**  
**RAFFLES UNIVERSITY**

**PROF. (DR.) RAJENDER S. SANGWAN**  
**PRESIDENT, RAFFLES UNIVERSITY, NEEMRANA**

Universities are working very hard to make higher education meaningful and relevant. Experiments are being done by many Universities, to make their end product (graduates) **"fit for job"** using their strategies. The emphasis is on bringing out competent people who can meet the requirements of the employers. In short, higher education is driven by the job market.

I do believe that universities aim to inculcate confidence, commitment, and concern as basic values in addition to providing knowledge. Raffles University is being established on high ideals with a vision to shape the youth as per the desire of **Swami Vivekananda**.

Curriculum and pedagogy are designed to blossom the inbuilt capacity of each student. ***Scientia est potentia*** which means **"Knowledge is Power"** is our dhya vakya. We equip, expose, empower and enlighten you to face any challenge in life with confidence, but not compromise on ethical values. I do extend an open-armed welcome to the university and our flagship event. I believe that you will make this competition great.

## MESSAGE FROM THE DEAN SCHOOL OF LAW

**DR. PRANAY KUMAR ADITYA**  
**DEAN, SCHOOL OF LAW**

The School of Law, Raffles University has been founded with a vision to chisel out the most competent legal professionals who are confident and committed. We equip, expose, enlighten and empower our students to take up any professional challenge with confidence. Students have been exposed to moot Court exercises from the beginning. Participation in moot court competitions outside the school is made compulsory. Two National Level Moot Court Competitions are being organized every year, of which one is in collaboration with the prestigious Surana & Surana International Attorneys and the other one in collaboration with 'Rajasthan Education Trust', a public charitable trust based out of Jaipur.

I am extremely happy and wish all the best to the participants from different law universities/institutions. Our Moot court faculty and student coordinators are doing a commendable job, and their efforts are appreciable, without which organizing such a gala program is not feasible.

***My best wishes to the participants and a grand success of the event!***

***Happy Mooting!***

## INVITATION

School of Law, Raffles University with its organizing partner Rajasthan Education Trust, Jaipur is proud to announce the **10<sup>th</sup> C.L. Agrawal Memorial National Moot Court Competition 2026**. It is an initiative taken forward by the organizers to create awareness in the field primarily of Criminal Law, Administrative Law, Constitutional Law, Service Law, Competition Law etc. This year's case has been drafted to test the knowledge, research aptitude, and application of the law by the participants in the field of Criminal & Constitutional Law.

The event will provide a unique opportunity for our participants to become a part of a powerful venture started by two of the experienced moot court competition organizers, i.e., School of Law, Raffles University, and Rajasthan Education Trust, Jaipur. The former takes pride in associating itself with another successful national- level moot court competition while the latter is a familiar name for hosting, administering, and funding numerous moot court competitions nationally and internationally. Together, we aim at promoting academic excellence and research in the field of Criminal Law. The event will take place offline. To ensure the comfort of the participating teams, an orientation program has been scheduled on the 13<sup>th</sup> of March, 2026 which will include orientation of teams, followed by a draw of lots and exchange of memorials. Competition team codes and sides will also be allotted during the orientation only.

Your good self is requested to kindly direct the concerned authorities regarding participation in the competition and to register your respective team. ## MOOT PROPOSITION

10<sup>th</sup> C. L. AGRAWAL MEMORIAL  
NATIONAL MOOT COURT  
COMPETITION, 2026

*Date: 13<sup>th</sup> to 15<sup>th</sup> March, 2026*

***State of Bundel Pradesh & Ors.***

***vs.***

***Ishan Kairo & Ors.***

1. The present case arises out of an unprecedented incident involving immersive online gaming and real-world harm. In the year 2025, Virex Dynamics Pvt. Ltd., a technology-driven gaming company incorporated under the laws of the Republic of Norland, launched an online gaming platform titled “*ShadowQuest*” for users across several jurisdictions, including the Republic of Indiana. The platform combined artificial intelligence, virtual reality, and adaptive simulation technologies and was marketed as a skill-based gaming experience offering structured challenges and performance-linked rewards.
2. *ShadowQuest* functioned through a premium gaming package consisting of a handheld gaming console integrated with AI-enabled smart glasses. The smart glasses projected a layered virtual environment over the player’s physical surroundings, creating a simulated world perceptible only to the user. Within this environment, players received missions, objectives, and real-time performance cues. The limits of interaction between the virtual environment and the physical world were not expressly explained to users.
3. Subscribers to the premium version participated in a reward-based progression system under which players were required to complete increasingly complex missions described as simulation challenges. Successful completion resulted in virtual credits convertible into real money and transferable to a linked digital wallet. Certain advanced missions indicated rewards of up to ₹1 crore, subject to in-game evaluation parameters.
4. Access to the platform was enabled through online registration using digital payment methods and user credentials supported by automated age-verification tools. During internal reviews, the company noted instances where users had entered inaccurate or borrowed identity information at the time of registration. No immediate changes were made to the platform’s access architecture following such observations.
5. Ishan Kairo, a student residing in the city of Krihsna Nagar, completed eighteen years of age on the same day as the impugned incident. He had registered on the *ShadowQuest* platform using borrowed identity credentials and subscribed to the premium gaming package. Over time, he completed several challenges involving location-based objectives and simulated combat scenarios, receiving monetary credits upon completion. His consistent progression reinforced the belief that all assigned tasks were part of a controlled gaming simulation.
6. In June 2025, Ishan was assigned an advanced mission titled “*Final Ascendancy*” through the smart-glasses interface. The mission displayed images, movement patterns, and location details of an entity described as a “high-value target.” The projected environment closely resembled real-world locations familiar to the player. The platform did not clarify whether the target information related to a real individual or a virtual construct.

7. The mission interface stated that successful completion could result in a reward of up to ₹1 crore, credited to the player's digital wallet. The reward was described as a special achievement bonus generated through the platform's algorithmic system. System records later revealed that certain mission parameters were autonomously modified by the AI system, while others were influenced by pre-set human-coded thresholds. No manual review or real-time intervention occurred during the mission.
8. The mission details corresponded to a real individual, Mr. Devran Solvik, a businessman residing in Krishna Nagar. Acting under the belief that he was executing a game objective; Ishan attempted to complete the mission. During the course of events, Mr. Solvik sustained fatal injuries and subsequently died.
9. Following the incident, law-enforcement authorities commenced an investigation and examined the functioning of the *ShadowQuest* platform, including its data practices. It was found that the platform utilised user behaviour patterns, location information, and transaction histories for mission generation and reward optimisation, with certain data-processing functions managed through servers located outside India. At the relevant time, the company was operating in India under provisional authorisation under the applicable regulatory framework governing online gaming.
10. Upon committal, the Court of Sessions held that the death of Mr. Devran Solvik resulted from a cumulative chain of circumstances involving the design of the gaming platform, the assignment of the impugned mission, the communication of high-value rewards, and the absence of effective legal safeguards, therefore banned the gaming platform *ShadowQuest*. The Sessions Court convicted Ishan Kairo for the offence of murder and directed payment of compensation to the legal representatives of the deceased, while observing that the role of Virex Dynamics Pvt. Ltd. and its senior management disclosed elements of constructive and vicarious liability.
11. Aggrieved by the judgment of the Court of Sessions, appeals and writ petitions were preferred before the High Court of Bundel Pradesh. The High Court set aside the judgment on the basis of constitutional protection besides, holding that the findings on criminal liability and compensation were unsustainable in law and involved errors in appreciation of the technological context and proportionality.
12. Aggrieved by the decision of the High Court of Bundel Pradesh, the State of Bundel Pradesh and the legal representatives of the deceased have preferred the present appeals before the Supreme Court of India.

**The following issues shall be considered before the Supreme Court in the present matter:**

1. Whether, in light of the AI-generated gaming mission and the belief of the accused that he was acting within a simulated environment, the conviction of Ishan Kairo for the offence of murder was legally sustainable.
2. Whether the communication of a reward of up to ₹1 crore for completion of the impugned mission amounted to inducement or abetment of the alleged offence.
3. Whether criminal or vicarious liability can be fastened upon a foreign online gaming company and its senior management for acts arising from autonomous or semi-autonomous artificial intelligence systems.
4. Whether the collection, processing, and cross-border use of user data for mission generation and reward optimisation complied with the applicable constitutional and legal framework governing data protection and digital platforms, and the consequences of any non-compliance.
5. Whether the High Court was justified in setting aside the conviction including the ban on the aforesaid platform and compensation awarded by the Court of Sessions.

***Nota Bene:***

1. All facts mentioned and the references made are fictional.
2. The laws of the republic of Indiana are *pari materia* with the law of republic of India.
3. Issues and sub-issues can be added and modified provided they do not alter the fundamental premise.
4. For the purposes of this proposition, the appeal before the Supreme Court is considered to be filed in February 2026.
